

DNPS Membership Overview

We have made some important, and long overdue changes to our membership payment options. You can see all the details on our website, but here's the overview.

We have two ways of becoming a member of the DNPS, or renewing your existing membership.

Our original analog method

(for those who don't have a credit card, or prefer to use checks)

~ Just as we've always had, we will maintain our membership form on the website that can be printed out and mailed to our P.O. Box along with a check.

~ For renewals, we will email the first membership renewal announcement at your one-year renewal date, then snail mail two more announcements on the following months as additional reminders if we don't hear from you.

~ At the end of that third month, if we have not heard from you, your membership will automatically end.

Our new on-line electronic method

(for those who don't have checks, or prefer to use credit cards, bank auto-pay, or <https://cash.app/cash-app-pay>)

~ We have created an account on Buy Me a Coffee. This is a site for on-line content creators, and non-profit organizations to allow people to support them and become involved through donations and memberships. It was easier to partner with this company, than set this up from scratch on our website.

~ For those who want to use this method, just go to:

<https://buymeacoffee.com/denativeplantsociety>

~ You can join the DNPS as a member at five different levels (Prairie Grass, Wildflower, Shrub, Oak Tree, or Old-Growth), and can choose to submit your dues on a monthly or annual basis.

~ There will be no reminders from us to renew; your membership will simply continue for as long as you desire. You will receive email announcements from us about Society events and volunteer days (be sure to include your email in the checkout window).

MEMBERSHIP APPLICATION
